Old Business:

Web site is up and running. Virginia will send letters out to all people in the township to let them know this. We will also notify them that all building permits must be brought to a meeting for a signature rather than contact individual members. Fred made this into a motion and Kevin seconded.

Fred will again get in touch with the County regarding road maintenance.

ARPA grant was discussed, It was denied due to no township hall and a very low budget. Virginia is filing an appeal.

Graveling is finished. Fred has ordered what we need and also reached an agreement with Moorhead Township regarding a road we share. They will gravel it and we will pay for it.
