

Glyndon Township

April 12, 2022 @ 7:00 PM

Glyndon Community Center

Members present included: John Winter, Angie Kuehl, Fred Kuehl, Kevin Nelson and Virginia Moon. We were joined by Frank Gross, Kevin Campbell, Dave Overbo, Justin Sorum, Jake Pender, Archie Tanner, Lee Alm, Kim Carpenter, and 2 other members of Clay County Maintenance team.

Fred called the meeting or order at 7:05 PM.

The first order of business was discussion regarding the maintenance of our township roads during the summer and the winter. Our residents are complaining about the wash boarding on the roads. We had residents complaining about the lack of snow removal during blizzards and on the weekends. We had quite a discussion regarding this and what measures could be taken to rectify these issues. We are going to continue this discussion at our next meeting to see if these issues can be worked out.

Kim has asked that we coordinate and inform him when we have issues with him. His phone number is 701-446-6519

The minutes from the March annual meeting were read and approved. Motion by John and seconded by Kevin. The minutes from the regular meeting in March were also read and approved. John made the motion and Kevin seconded it.

The contract for maintenance was discussed and Fred made the motion to sign it again with Kevin seconding. Motion carried.

Clay County fair requested funds from the township for this year. We agreed to table this until next month pending more information from ARPA regarding our grant. We might be able to give them some of that money.

Census survey was discussed regarding payroll. We don't do payroll so decided not to do the survey.

John attended a meeting on Obnoxious weeds, and the ones that affect us. We will put some pictures on our website to inform the residents in the township.

He said they also are expecting to increase property evaluations by 20%.

The ARPA Grant money will also be tabled until the May meeting.

The following bills were paid:
