Old Business:

There was no old business to discuss.

New Business:

Matt Dooley came to discuss his driveway again. The members of the township told him that his driveway was private property and that it could be considered a cart path and that he should get an easement from Josh and Jerad and then have it recorded at the auditor's office.

He also wanted information on building a 40 x 60 shop. The board told him he would have to take his plans to the county and get a permit from them and then the township would sign off on it. He wants to do a septic system as well.

The results of the election: Kevin was reelected as a supervisor and both items to make the Clerk and the Treasurer as appointed rather than elected also passed.
