Frank took the floor at this time and discussed the new town called Stirling, informed us that all county offices have been moved to 12<sup>th</sup> st now, he said the county will be taking over the transfer station that the city of Moorhead is running and that it will be moving and he also talked about the roads in the county. John asked him if when the county detours roads onto a township road do we get reimbursed? Frank said he would check into that and get back to him.
